The graph shows the number of papers in different categories based on their number of gs citations. The categories are oral and poster.

- For oral presentations:
  - 1 gs citation: 2 papers
  - 5 gs citations: 9 papers
  - 10 gs citations: 5 papers
  - 15 gs citations: 6 papers
  - 20 gs citations: 1 paper
  - 30 gs citations: 1 paper

- For poster presentations:
  - 1 gs citation: 3 papers
  - 5 gs citations: 8 papers
  - 10 gs citations: 4 papers
  - 15 gs citations: 3 papers
  - 20 gs citations: 3 papers
  - 30 gs citations: 1 paper

The graph visually represents the distribution of papers across different citation ranges for both oral and poster presentations.
